

FORT MONMOUTH
*Community Planning
for a Bright Future*

Your input is needed!

Fort Monmouth is scheduled to be closed by September 2011.

Help us formulate a vision for new jobs, new housing, new community facilities and other amenities. You have an opportunity to participate in the first public meeting for the revitalization and reuse of Fort Monmouth. Thousands of jobs are at stake, as well as the economy of several communities. We need your input!
